

approaches to learning

**How do I learn?
How do I
communicate my
understanding?
Do I work
cooperatively or
independently?**

community and service

**How do we live as
a community?
How can we
contribute to the
community?
How can we help
others?**

homo faber

**Why do we create?
How do we create?
What are the
positive and
negative
consequences of
our creations?**

environment

**Where do we live?
What resources do
we have or need?
What are our
responsibilities?**

health and social education

**How do I feel?
How am I changing?
How can I care for
myself and others?
How can I be
healthy?**

areas of interaction
